Mr. Robert Yap
Federal Election Commission
999 E Street, NW

Dear Mr. Yap:

Please find enclosed amended reports for the Costello for Congress Committee, #238444.

The report for the period 4/1/98 - 6/30/98 reflected a refund to the AFA Flight PAC, however, due to a computer error the contribution did not appear on the report.

For the same reporting period interest in the amount of \$383.56 from West Pointe Bank was reported. However, it had been reported on the 2/25/98 - 3/31/98 report.

Reports filed after the 4/1/98 - 6/30/98 report have been corrected due to the year-to-date totals changing. The 11/24/98 - 12/31/98 totals are correct as this report was generated on a computer with correct information.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Mary Shalapin
